Lark Hill's Sangiovese showcases vibrant aromas of cherry and mulberry layered with notes of cinnamon and clove. The palate is savoury with a medium body, refined structure, and soft tannins. As the weather turns cooler and crisp, this elegant Sangiovese comes into its own offering both warmth and vibrancy. True to its Italian heritage its brightness and perfect balance make it a great pairing for Australian cuisine. The lighter structure and vibrancy make Lark Hill' Sangiovese the perfect choice for more casual occasions and a wide range of dishes.

# THE CANBERRA WINE DISTRICT

Nearly all of Canberra's 40 wineries and 140 vineyards are still independent or family owned and are spread over several clustered regions. These include Lake George, Murrumbateman, Yass and Hall to the north, Bungendore and Wamboin to the east. One of Australia's coolest wine regions, the Canberra District blends the traditional and emerging in a riot of contemporary wines and wine styles that are delicious, fun, flexible and built for food!

Altitude plays a huge role in the average temperatures and the resulting full-flavoured and refreshing wine style Canberra is famous for.

While champagne is the elegant aristocrat of the sparkling world, Prosecco is its vivacious Italian cousin, bringing the party with a more approachable and playful fizz. Champagne whispers sophistication in crystal glassware, while Prosecco invites you to kick off your shoes and celebrate with a joyful clink of glasses between friends.

## WHEN SIZE MATTERS- THE GREAT HOUSES OF CHAMPAGNE

The great houses of champagne produce some of the world's most sought after wines. One of the skills of a great house or 'Grand Marque' is to create non-vintage cuvées that carry characters that embody the house's style and philosophy. They are renowned and recognised the world over and have a reputation for being both innovators as well as custodians of champagne history.

The following champagnes are all made by a Récoltant-Manipulant or Grower Producers.

They are usually small outfits that make champagnes from fruit sourced from their own vineyards. They craft champagne of detail, texture and individuality and offer a great insight into a winemaking ideology that celebrates harvest and site over style and blend.

# ONLY CHABLIS, MERCI!

Classic, definitive. To be a Chablis is a specific privilege. This small-but-mighty category of pure, unoaked chardonnay hails from the Chablis region of Burgundy – and nowhere else. Made for right now, Chablis drinks young. With good value and a good vinous hit, it’ll soon have you saying, “I only drink Chablis, thanks”.

## A CHARDY PARTY

When simply nothing else will do. No comparisons, no synonyms, the one and only Chardonnay. All oak and buttery notes, Aussie Chardonnay kicked down the doors of the international wine scene fifty years ago. Now all grown up, our home-grown hero is thriving in a spectrum of styles.

## GIVE ME SOME SKIN— SKIN MACERATED WHITE WINE (AKA. ORANGE + AMBER)

It's complicated? You're in the right place. Skin-on white wines with a little trick up their sleeve. Borrowing getting-ready secrets from their red-headed friends, these white grapes kept their skins and seeds – leaving you with hues of orange or amber aura. Tannins intact, these are bold and tart. And not for the faint of heart.

## ROSÉ—COLOURED GLASSES (PINK)

A whole state of mind. An anytime pink-me-up. A wine for here, now or anytime really. Pigmented by the skin of red grapes left on for just a beat or two, rosé ranges from barely-there pale to inky pink. Light and carefree to juicy and textural, we're slinging sips to suit a whole spectrum of rosé-coloured occasions.

## SMOOTH TALKING RED

Express yourself. For when the room dims and small-talk goes deeper. Juicy and full of substance, a glass to pour your heart out to. Lean into plush fruits balanced by tannins and acidity. Flavourful and versatile, these reds can hold their own against meat that's seen fire and smoke, or pair perfectly with nothing at all.

# RIPPED RED

Big and strong. You may want to sit down for these. The show off reds with broad shoulders and rich textures. With loads of deep, dark fruit flavours, a healthy dose of oak and grippy tannin adds the necessary muscle to connect all these massive moving pieces. Ripped and ready for action. Kind of like Arnie flexing in a glass.

# FROM THE CELLAR

In the depths of the QT Canberra cellar resides a gang of old and fancy wines. These bottles aged gracefully over the last couple of decades, are like the wise elders of the grape world, ready to impart their fermented wisdom. Uncorking one of these treasures is like unlocking a time capsule, whisking you back to an era when flip phones were all the rage and low-rise jeans were a fashion statement. With every sip, it's as if the 2000s are unfolding before your eyes. Here's to these aged marvels; proving that some things improve with time!
